Royal Botanical Gardens is a horticultural/information/research centre and we wish to provide you with educational resources to assist your clubs, societies and organizations. This quarterly newsletter outlines upcoming shows/events and informative educational programming. In conjunction with this newsletter, we are also very pleased to offer any Horticulture related programs to your membership at 15% savings, when five or more of your members register for a program. Please call our Program Booking Clerk at 905-527-1158 ext. 270 to register your group and receive your discount. To see our "Learning @ The Gardens" publication, go to <http://tickets.rbg.ca/PEO> or go to our website at [www.rbg.ca/publicprograms](http://www.rbg.ca/publicprograms).

## **Frogs: A Chorus of Colours**

**January 17 to April 12**

Be amazed by the colorful world of frogs, the most visually stunning, vocally pleasing, and adaptively remarkable life forms on earth. If you've never thought of frogs as beautiful, this exhibition will change your mind! Habitats, complete with rock ledges, live plants, and waterfalls, showcase living frogs from around the world. Stunning backlit graphic panels with colorful images of frogs cover the walls. Sturdy interactive components invite visitors to activate recorded frog calls, view videos of frogs in action, spin a zoetrope, and test frog knowledge on subjects from basic to bizarre.

#### **ONTARIO'S FASCINATING FROGS!**

Thursday, March 26;  
7 to 8:30 p.m.

Join Crystal Robertson from Toronto Zoo to learn all about frogs and toads that share our province. Learn to identify the species that live here, and

explore their life cycle and natural history. Crystal focuses on ways that you can get involved in frog conservation, including citizen science programs like Frog Watch and Wetland Guardians. This program includes a selection of take home resources, and a special "buggy" treat that may help you see things from a frog's perspective.
