

2017 Streetsville Horticultural Society Member Survey

Your name

To make our Society better we need information about what our Society members want. You can help us improve by answering these questions.

We regularly receive information from other **non-profit** organisations and Hort Societies about events they are hosting. Some of these organisations are the Royal Botanical Gardens, Credit Valley Conservation, Riverwood, Ontario Rock Garden Society and of course the OHA and local Horticultural Societies.

If the timing is right we are able to include some of these events in the SHS newsletter. Often this is not the case. We have been told by SHS members that they wish they knew about some of the events.

We would like to know if we should publicize these events to Streetsville Hort members by email so that members can participate if they wish.

Yes once per week _____

Yes alternate weeks _____

No _____

Streetsville Horticultural Society is a volunteer-based organization that relies on the participation of all its members to help with our programs and activities. There are many small jobs that need to be done, some take as little as one hour each month or less September to June, and others may take 4-8 hours once per year. If you have a little time available your Board of Directors would appreciate some help.

Small jobs

Yes:

1 hour per month _____

2 hours per month _____

4 to 8 hours once per year _____
